

Descendants of Chaim Sochaczewski

Many thanks to Pauline Rockman who hired Petje Schroeder, a researcher from Lodz, who started the search and found the extremely large list of the descendants of Chaim Sochaszewski. Lehava Falkson made many additions. Further additions and corrections were made and for each we have listed the source.

Notes:

Dates are dd/mm/yyyy as in the European custom.

[d18] = This means that the death was registered in record #18 of the city registry of that year. B for birth and M for marriage.

aka = Also Known As.

NAM1 → NAME2 = Name change.

To enable search across this very long document, we have added locations markers in this way: *1*, *2*, etc. By searching for *n* the two location that refer to one another can be found easily.

 4 Yaakov Yehuda Leib "Leibel" SOCHACZEWSKI b: 29/7/1843 Tyszowce, Poland d: 02/10/1916 Jerusalem, Israel

According to Eliezer Makovizki, the correct name is Yehuda Leib, and there was another brother by the name Yaakov Kopil SOCHACZEWSKI, possibly d:26/9/1958

Warsaw [This date is probably too far, a person born in the mid 19th century could not survive the shoa]. In any case, there is a brother of Leibel SOCHACZEWSKI named Dovid Kopil (see below), so it is impossible that there was a brother by the name of Yaakov Kopil. The gravestone in Jerusalem carries the name Yehuda-Leib. But Lehava Falkson, have found in a synagogue his wife have built in Jerusalem, the full name Yaakov-Yehuda-Leib is inscribed. See below a g-grandchild by the name Leib Jacobo KIPERSZTOK who was born in 1922.
